

this Rule, “materials” includes pleadings and documents of any nature and in any medium or format.

(b) ***Filing under Seal.*** No materials may be filed under seal except by Court order, pursuant to a statute, or in accordance with a previously entered Rule 26(e) protective order.

(c) ***Motion to Seal or Otherwise Restrict Public Access.*** A party’s request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation “Motion to Seal.” The motion must set forth:

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

LCvR 6.1. It appears that the requirements of LCvR 6.1(c)(1) through (4) have been adequately met. Moreover, publicly-available redacted versions of the documents Defendants seek to seal have been filed on the record.

Having considered the factors provided in LCvR 6.1(c), the Court will grant the motions to seal. Noting that the time for public response has not run to this motion, the Court will consider any objection to this Order from non-parties as an objection to the motion, requiring no additional burden for any non-party under the Federal Rules of Civil Procedure. See Local Rule 6.1(e).
